

Covid Policy – Tall Oaks Camp and Conference Center

I offer the following temporary guidelines for Tall Oaks, based upon what is offered by Leavenworth County (<https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-childcare-guidance.html>) in my capacity as Regional Minister. I make these recommendations acknowledging that I am not a qualified medical professional. These recommended guidelines may be amended and reported to Tall Oaks user groups immediately if the CDC and Leavenworth County and/or the Tall Oaks Board or Region Board Executive Committee offer different guidance.

1. Each person who comes onto the campus who has been exposed to Covid 19 or has tested positive for Covid 19 within seven days of arrival should test the day before arrival for COVID 19 and if testing positive, should refrain from coming onto the campus until they test negative.
2. Anyone experiencing flu-like symptoms associated with Covid 19 prior to arrival should test for Covid 19 at least one day prior to arrival and if receiving a positive result, should not come onto the campus.
3. Anyone experiencing flu-like symptoms while on the campus should be tested for Covid 19 and, if found to test positive, should be temporarily isolated from their group and sent home
4. Wearing a K-95 mask is optional for anyone who has been vaccinated and boosted but should be seriously considered for everyone in groups when meeting indoors.
5. Frequent handwashing or use of hand sanitizer is recommended.
6. Surfaces in buildings-in-use will continue to be disinfected daily.
7. Please report any positive Covid 19 tests among those currently on campus to the site director who may take additional action needed to reduce the chance for transmission to others on the campus.

If anyone has concerns about the COVID precaution guidelines, please contact me.

Respectfully,

Bill Rose-Heim

He Him His

William B. Rose-Heim, M.Div.

Regional Minister and President
